DENTIS FRY, OR DENTAL SURGERY—
Dr. Van Patten continues at his pleasant and
central location (a few doors west from Brown's
and Coleman's hotels.) He pledges himself to perform any and every operation appertaining to his
profession, as successfully, and with as little pain, as
can be done in any of the eastern cities.

He inserts teeth of any desired shade or size,
with or without gums, singly or in full sets, as
cases may require; and usually secures them to the
gums by that most cleanly and comfortable principle of atmospheric pressure. Yet, being fully competent to apply every known principle, his patients
shall always have the benefit of the mode best
adapted to the condition of their mouths.

Having been long established in Washington, he
deems it unnecessary to expose patients' names for

of what was promised in the contract, nor ever a charge for repairing, or even renewing, his work. Nov. 1—1m.

cough, croup, and all diseases of the liver and lungs, broken constitution, &c.

THE above is the original and only genuine preparation from this valuable tree, and haw won its way to public favor by its unparalleled success in curing all diseases of the lungs, notwithstanding the many articles prepared by persons who have no knowledge of the science of medicine, in theory or practice; and some, more readily to deceive the unauspecting, use a part of the name of the original preparation, such as "balsam of wild cherry," "Phonix balsam of wild cherry," "Dhonix balsam of wild cherry," "Bhonix balsam of wild cherry, and amfrey," &c.—all sprung up-with a mercenary view, after Dr. Swayne's compound sirup of wild cherry had won a reputation in the healing art never to be forgotten by many a once cheerless fireside. Therefore the public should be on their guard, and purchase none but the original preparation, which is daily performing such astonishing cures in pulmonary complaints, after all remedies had failed, and the patients given up as hopeless. Thousands of certificates might be published, which would astonish credulity itself; but it is deemed unnecessary. Below we publish a few of the names of persons who have been cured by this wonderfal remedy:

GREATEST WONDER OF THE AGE.

ATENT GALVANIC RING, AND MAGNETIC FLUID.—These wonderful Rings, and the Galvanic Fluid, have created a great sensation throughout Europe, and are attracting crowds to see them, both in New York and Boston. They cure with astonishing rapidity rheumatism, gout, tic-doloreux, fits, cramp, sick headachs, indigestion, paralysis, stiff joints, general debility, deficiency of nervous energy, and all nervous disorders. They produce all the beneficial results of the ordinary galvanic battery, or electric and magnetic machines, without the injurious shocks which always accompany their application. The secret of preparing the Ring was discovered by Professor Harmance Christie, of London, in October last, and they have been recently introduced into this country by Dr. A. Christie, who warms the American public, from the beginning, to beware of spurious imitations. To guard against fraud, he will appoint but one agency in each of the cities of the United States.
